SCIENTIFIC, TECHNICAL AND ECONOMIC COMMITTEE FOR FISHERIES

Response to a request from the European Commission on the use of trammel nets in waters less than 600 m depth by way of derogation from Regulation (EC) No 43/2009

SEPTEMBER 2009, WRITTEN PROCEDURE

Edited by John Casey & Hendrik Dörner
The mission of the Institute for the Protection and Security of the Citizen (IPSC) is to provide research results and to support EU policy-makers in their effort towards global security and towards protection of European citizens from accidents, deliberate attacks, fraud and illegal actions against EU policies.

The mission of the JRC is to provide customer-driven scientific and technical support for the conception, development, implementation and monitoring of EU policies. As a service of the European Commission, the JRC functions as a reference centre of science and technology for the Union. Close to the policy-making process, it serves the common interest of the Member States, while being independent of special interests, whether private or national.
