JRC PORTFOLIO 20

TOWARDS AN INCLUSIVE AND RESILIENT SOCIETY: SOCIAL JUSTICE AND FAIR TWIN TRANSITIONS

Joint
Research
Centre

The portfolio aims to:

Monitoring and analyses of key trends and prospects of society (inequalities, poverty, gender equality, health status, loneliness, social polarisation, socio-economic and behavioural impacts of policies

Forward-looking analyses of global transformations – impacts on economic, behavioural and social outcomes, the role of citizens in shaping these transformations, implications for tax-benefit systems and social protection

Analyses of socio-economic aspects of transformative policies, such as the European Green Deal: assessment of distributional impacts of climate, energy, transport and digitalisation policies, and identification of potential remedies for any negative effects

Main partners

Partner DGs AGRI, CLIMA, CNECT, EAC, ECFIN, EMPL, ENER, ENV, HOME, INTPA, JUST, MOVE, NEAR, RECOVER, REGIO, RTD, TAXUD, SANTE, SG

Other stakeholders ACER, EEA, EIGE, Eurofound, European Parliament, ILO, OECD, World Bank
